**Art on Paper**, the international fair for contemporary drawing, will be held from **6 to 9 October 2022** in a unique new location in the centre of Brussels, the **Espace Vanderborght**.

Since 2014, Art on Paper has presented a unique panorama of the quality and diversity of contemporary approaches to drawing in the heart of Brussels through the organisation of an international fair dedicated to this practice.

After 6 editions in the Bozar exhibition halls, Art on Paper will now take over the entire Espace Vanderborght (6 floors), an exceptional building that will also host a programme of activities in the context of Brussels Drawing Week.

This year, Art on Paper and Brussels Drawing Week will strengthen their ties with the **Royal Museums of Fine Arts of Belgium** to further reinforce the drawing centre in the heart of Brussels and Europe.

The third edition of **Brussels Drawing Week** will be held from **3 to 9 October**. On the programme: guided tours, workshops, conferences, meetings, exhibitions and performances, to be discovered all over Brussels during an intense week of activities in the partner institutions of Brussels Drawing Week 2022.
